

Equality, Diversity & Inclusion Lead Recruitment Pack

June 2022

Thank you so much for taking the time to find out more about the Football Foundation. I am exceptionally proud to lead this organisation.

Our purpose is to transform individual lives and communities by providing people with a great place to play. That's an inspiring thought – but behind it sits a great team. The Foundation is an independent charity, but has at its heart a collaboration between the Premier League, The Football Association and Sport England. Our role is to facilitate their joint investment into community sports facilities. We do this through partnership working – being part of a team is really important to us.

Together we have ambitious plans and with the recent announcement from the government to invest a further £205 million into grassroots football over the next 3 years, the Football Foundation is well-supported to continue to invest in community pitches and facilities across the nation.

We have a great deal to get done, but why and how we do it matters too. We are striving to be an inclusive and diverse organisation which reflects the diverse communities, users and beneficiaries of our work and the outcomes we deliver. Becoming part of the Football Foundation team, will give you the chance to deliver a positive impact in every community in England; to help transform lives and communities through great places to play; and to be part of a supportive and inclusive staff team that strives to work hard and plays fair to achieve its goals.

I hope you take the time to apply.

UNLOCKING THE POWER OF PITCHES TO TRANSFORM LIVES

We are the Premier League, The FA and Government’s charity. We deliver outstanding grassroots football facilities which support local communities and grassroots

OUR STORY

Over the last 20 years we've been planting the seeds to grow grassroots football, transforming communities where demand is greatest, and impact will be strongest.

We have worked closely with local authorities, County FAs and other passionate people in communities up and down the country to deliver over 17,000 sports projects worth over £1.8 billion and we have got big plans to revolutionise England's grassroots facilities over the next decade.

OUR GOALS

The Football Foundation's ambition is to transform the landscape of England's grassroots game by 2030. In that time, we will deliver thousands of new pitches, while also investing in the improvement of existing grass pitches and off-pitch facilities across the country. The approach to achieve our goals includes:

- **Local Football Facility Plans**

In order to achieve our ambition, we have completed 318 Local Plans, covering every area in England. These are the culmination of three years of work with local authorities, County FAs, and other stakeholders. These plans identify the current provision of facilities and the projects that each community needs and deserves, providing a blueprint for our investment.

- **Grass Pitch Improvement Programme**

We are working alongside The FA on a 10-year plan to transform the quality of 20,000 grass pitches across the country. 87% of affiliated football is played on traditional grass pitches and maintaining these to the highest quality is crucial. We are working with experts and volunteers and have invested in a new web app, PitchPower, to make expert knowledge, support, and funding into pitches more accessible.

- **Small Sided**

We have an ambition to deliver 330 new or improved Small Sided facilities by 2025. To realise this ambition, we're going to focus on investing in safe, inclusive and accessible facilities in communities with the greatest need. We will tackle inequalities in physical activity levels and create inclusive opportunities for our priority audiences to become active through recreational formats of football and other sports.

- **Our Hubs**

£200m investment in multi-pitch hubs has enabled us to work with Local Authorities and local football organisations, with hubs already in Sheffield, Liverpool, Sunderland, and one site in London: with construction underway for further sites in London, as well as Newcastle and Wigan.

- **3G Artificial Grass Pitches**

In 2020, we opened 49 new floodlit 3G Artificial Grass Pitches (AGPs) guaranteeing access to hundreds of thousands of people across the country, no matter the weather. Our goal is to install 1,300 more 3Gs by 2030.

- **Changing room pavilions**

We constructed and refurbished over 57 pavilions in 2019, providing players and match officials with safe, secure spaces to get changed, whilst also acting as hubs for the delivery of vital community outreach work. We are committing to 1,700 new pavilions by 2030.

We refer to our company values as our four corners and these form a central part of our working culture. When applying for roles we encourage applicants to be aware of our four corners as we will frame some of our interview questions around these.

WE ARE A UNITED TEAM

We support each other and work together to deliver the greatest impact wherever it's needed the most. Nothing brings people together like sport and teamwork is at the heart of what we do.

WE ARE FAIR PLAYERS

Being inclusive and understanding diversity allows us to tackle inequalities through everything we do. We play fair regardless of gender, race, ability or place, from the star performers we recruit, to the way we work, from the facilities we fund, to the people who play on them.

WE ARE PASSIONATE SUPPORTERS

We support the game in any way we can. We make sure applicants access funding as easily as possible. We work with partners to deliver outstanding football facilities. We transform lives and communities on behalf of our Funding Partners.

OUR IMPACT

Since 2000, we have been privileged to make a truly transformative difference to grassroots football across the country. We're proud that through the investment of our funding partners into grassroots football we've seen incredibly positive effects on physical health, mental health, participation, and the overall economy, and we want to keep moving the goalposts.
