JOB DESCRIPTION

- Job Title:** Lecturer in Sport and Exercise Physiology
- School:** Cardiff School of Sport and Exercise Sciences
- Location:** Cyncoed Campus
- Grade:** 7 A/B
- Salary:** £44,263 - £49,794 per annum pro rata
- Hours:** 18.5 hours per week
- Tenure:** Fixed term for 12 months

Role Summary:

The opportunity exists for a suitably experienced candidate to lecture on the BSc (Hons) Sport and Exercise Science programme. Suitably qualified candidates may also be expected to contribute to the delivery of other relevant undergraduate and postgraduate programmes and undertake scholarly activity within the sport and exercise physiology area. The candidate will plan and deliver lectures, practical sessions and seminars embracing innovative teaching methods including both face-to-face and digitally facilitated teaching. The candidate will be required to supervise undergraduate and postgraduate students. The successful candidate will also undertake administration associated with teaching and other duties as directed by the Academic Team Lead for Sports Performance.

ROLE PROFILE

Principal Duties and Responsibilities:

Teaching and learning support

- Design teaching material and deliver either across a range of modules or within a subject area.
- Use appropriate teaching, learning support and assessment methods.
- Supervise student projects, and/or e.g. field trips and, where appropriate, placements.
- Identify areas where current provision is in need of revision or improvement.
- Contribute to the planning, design and development of objectives and material.
- Set, mark and assess work and examinations and provide feedback to students.

Research and scholarship

- Engage in subject, professional and pedagogy scholarly activity/research as required to support teaching activities.
- Participate in individual or collaborative scholarly projects.
- Extend, transform and apply knowledge acquired from scholarship to teaching and appropriate external activities.
- Develop and produce learning materials and disseminate the results of scholarly activity.

Communication

- Routinely communicate complex and conceptual ideas.

Liaison and networking

- Participate in and help develop internal and external networks for the benefit of Cardiff Metropolitan University in the areas of teaching and scholarship.

Managing people

- Mentor colleagues with less experience and advise on personal development.
- Depending on the area of work, could be expected to supervise the work of others.
- Co-ordinate the work of others to ensure modules are delivered to the standards required.

Teamwork

- Act as a responsible team member, leading where agreed, and develop productive working relationships with other members of staff.
- Collaborate with colleagues to identify and respond to students' needs.

Pastoral care

- Act as a module tutor.
- Be responsible for the pastoral care of students within a specified area.

Initiative, problem-solving and decision-making

- Identify the need for developing the content or structure of modules with colleagues and make proposals on how this should be achieved.
- Develop ideas for promoting the subject:
 - e.g. Develop ideas and find ways of disseminating and applying the result of scholarship.
 - e.g. Responsibility for the design and delivery of own modules and assessment methods.
 - e.g. Collaborate with colleagues on the implementation of assessment procedures.
 - e.g. Advise others on strategic issues such as student recruitment and marketing.
 - e.g. Contribute to the accreditation of courses and quality control processes.
 - e.g. Tackle issues affecting the quality of delivery within scope of own level of responsibility, referring more serious matters to others, as appropriate.

Planning and managing resources

- As module leader or tutor, co-ordinate with others (such as support staff or academic colleagues) to ensure student needs and expectations are met.
- Manage projects relating to own area of work and the organisation of external activities such as placements and field trips.
- Participating in developing ideas for generating income.
- Be responsible for administrative duties in areas such as admissions, time-tabling, examinations, assessment of progress and student attendance.

Sensory, physical and emotional demands.

- Balance the pressures of teaching and administrative demands and competing deadlines.

Work environment

- Within the context of Cardiff Metropolitan University's H&S policy, depending on area of work and level of training received, may be expected to conduct risk assessment and take responsibility for the health and safety of others.

Expertise

- Possess sufficient breadth or depth of specialist knowledge in the discipline to develop teaching programmes and the provision of learning support.
- Use a range of delivery techniques.

Standard Notification

These guidelines are provided to assist you in the performance of your role. The university is a dynamic organisation; therefore changes may be required from time to time. Any changes will be made in consultation with the post-holder. The Summary of Duties and Responsibilities is not intended to be an exhaustive list of tasks performed. Other associated tasks are likely to be performed as directed by the line manager.

The University is committed to the highest ethical and professional standards of conduct. Therefore, all employees are expected to have due regard for the impact of their personal behaviour and conduct on the University, students, colleagues business stakeholders and our community. Each employee must demonstrate adherence to our Code of Professional Conduct. In addition, all employees should have particular regard for their responsibilities under Cardiff Metropolitan University's Equalities, Financial, Environmental and Sustainability, People Services and Health and Safety policies and procedures.
