

# BUCS BOXING CHAMPIONSHIPS

## Event Criteria for hosting in 2024-25 & 2025-26

---

### Event Overview

The BUCS Boxing Championships showcases the very best student boxers and over the 3-day event, one winner is crowned in each category. Due to the number of entrants (230 students in 2021-22 & 255 in 2023-24) we run two rings at the same time giving a very exciting atmosphere. The event enables all levels of competition from Novice to Open, giving opportunities for those that are beginners in the sport.

This tender is for the 2024-25 season and the 2025-26 season, a break clause will exist between BUCS and the host venue should it be required by either party following year one.
